YEEP Somalia Website Completion Report

Oct 13, 2026 · @Eng-Omar

Introduction

The YEEP Somalia website is complete. We finished the deployment on 12 October 2026. The website is now live and open to the public.

This report gives you the website link, a QR code, and a list of all pages.

Website Link and QR Code

Open the website with this link: https://yeepsomalia.so

Or scan this QR code with your phone camera. It takes you straight to the website.

Website Pages

The website has the pages below. All pages work. The website supports two languages: English (EN) and Somali (SO).

Next Steps

1. Send us new news, events, and photos to add to the website.
2. Next phase: the volunteer system. Admin and Staff will have a login. Volunteers will only fill in a form. They will get the result by email (Approved or Rejected).

If you have any questions, please contact us. Thank you.
